

PHOTO MEDIA RELEASE

Thank you for participating in Keep Cass County youth environmental education programs and/or events. We like to share what is happening in our county by publishing photos of KCCB partnered events on our website, social media outlets and print media (KCCB quarterly newsletter, Plattsmouth Journal & Cassgram). Keep Cass County Beautiful requests your permission to use pictures of your child. Please read and complete the following information if you would like your child to be included in our media.

I give Keep Cass County Beautiful, its partners and board members the right and permission to use photographs of my child, a minor under the age of 18, in publications and social media for promotional purposes of the KCCB non-profit organization.
